

*Outdoor dining and/or takeout options available - Chapoquoit and Woodneck Beaches are beautiful places to bring takeout and enjoy the sunset, and beach parking is free after 4 pm! Extra sightseeing bonus: it's June and the horseshoe crabs are mating! Also, feel free to get takeout and use the tent outside Redfield, as long as there are no other events going on (e.g., student/postdoc reception with agency managers will take place Tues. 6/21, 5:30-7:00 pm at the tent).
