

BE AN ENERGY EFFICIENCY CHAMPION

What do you do to save energy at WHOI?

Tell us [here](#) (or nominate someone else) and you'll be in the running to win a \$50 gift card in our monthly raffle during January, February, and March 2023!

Haven't been energy efficient recently? It's not too late! Take action now and enter the raffle next month!

Energy Efficiency Actions Can Include:

- Powering down electrical equipment, computers, appliances, etc.
- Shutting the sash of your fume hood
- Closing doors and windows including high bay doors
- Strategizing building occupancy with colleagues
- Adjusting thermostat if able
- Submitting Work Order Requests to notify facilities of persistent issues that are wasting energy
- Encouraging colleagues! "We has more impact than I!"
- Inspiring us with other actions you've taken!
