Update on CPO Search
- Sheri & Greguy are on the search committee
- WCC sent memo about CPO thoughts to Kathryn Link (CPO Search Comm. Chair)
- Kathryn coming to our Jun 1 WCC meeting at 1:00 pm

CommuniTea wrap-up
- Hannah captured notes during the meeting
- More feedback coming in on our IdeaBoardz
  - Exported after the meeting
  - Will export again Monday and close down the boards
- Will consolidate all of the notes and pass them on to Peter dM and Sr. Admin
- Hybrid format worked well, hard to see people with cameras

CommuniTea planning
- Land Acknowledgement & Indigenous Science
  - Need information ahead of time – Readings and videos
- Could be a precursor to other events related to land acknowledgement
- Have CommuniTeas more often – more casual ("Chat roulette")

Fieldwork Subcommittee
- Reached out to Tim Twomey to reach out to UW about cruise feedback processes
- Chris German is new Chair of WHOI's Marine Operations Committee (MOC)
  - Sent him the feedback from the Fall CommuniTea
  - He would like to help our efforts
- New requirement coming for NSF proposals to include a "Plan for Safe and Inclusive Field/Vessel/Aircraft Research"
- UNOLS MERAS Ship Civility Discussion Guidelines

WCC Membership
- Discussed term length, and need to overlap membership for continuity
- Discussed ways to recruit – Need to reach out broadly

Role of WCC
- Major role is/was climate surveys
- Should we have more surveys more often?
- Can we assist with supervisor training effort?
- Can we help with new-employees – getting them more integrated

- Can we help get photos up on the website?
- Should we form subcommittees to implement ideas from CommuniTeas
- Make the WCC website a resource for climate-related stuff
  - Toolkit for Guiding Principles
  - Toolkit for Plan for Safe Fieldwork
  - Suggestions
