

A **FREE** public event

# Woods Hole Science Stroll

**Explore** science on the streets of Woods Hole and get up-close views and tours of working research vessels.

**Take part** in science demos, hands-on activities, and crafts for kids.

**Engage** with people from 14 organizations and the discoveries they are making.

**Saturday, August 11**  
**10am - 3pm**

**Water Street, Woods Hole**

**FUN**  
*for the  
whole family!*

To sign up for free ship tours, please visit  
**[woodholesciencestroll.org](http://woodholesciencestroll.org)**

**\*Limited  
off-street  
parking**

Participating organizations: 500 Women Scientists, Buzzards Bay Coalition, Falmouth Water Stewards, Marine Biological Laboratory, NOAA Fisheries, Sea Education Association, United States Coast Guard, United States Geological Survey, WCAI, WHSTEP, Woods Hole Film Festival, Woods Hole Historical Museum, Woods Hole Research Center, Woods Hole Oceanographic Institution

\*We encourage people to ride their bikes or take the WHOOSH Trolley to Woods Hole Village, as parking is limited.

**Help keep plastics out of the ocean** by bringing your own refillable water bottle! We'll have water refill stations throughout the stroll.
