

**WOODS HOLE SCIENCE AND TECHNOLOGY
EDUCATION PARTNERSHIP**

**WHSTEP Teacher Safari - Spring 2017
McLane Research Laboratories**

Featuring: a tour of their 50ft test well, pressure testing tank, and a range of sampling and profiling instruments

The objective of McLane Research Laboratories is to enable worldwide investigators to achieve their research and scientific goals by providing advanced, cost-effective instrumentation

<http://mclanelabs.com/>

Where: McLane Research Laboratories

121 Bernard Saint Jean Drive

East Falmouth, MA

Date: Thursday, 30 March 2017

from 3:30-5:30PM

Please RSVP to whstep-info@whoi.edu

The Spring Safari is a free event open to teachers from WHSTEP member schools. Teachers earn PDP credits for attending and are encouraged to bring students interested in the topic. For more information, please contact Scottie Mobley, WHSTEP Administrator at whstep-info@whoi.edu.
